

The App for Class Reps

Explore the app and its time-saving benefits

Class chat

Reply and react to parents' questions, welcome new joiners or collect money. Structured threads keep the chat organised!

Announcements

Send formatted key class updates, info and reminders. Save a draft for later or schedule send!

Class directory

Check a name, update your bio, view the parent map. Parents update their own contact details and permission preferences!

Community events

- Organise class meet-ups
- RSVP or tickets
- Automatic reminders
- Volunteer signup lists

New joiners are automatically included!
